13. Navigate to <http://localhost:4200/resultat?searchTab=0&searchArchive=true#udvidetsoegning>. Type 2500 and select, 4220 and select in “indtast område” (9). ”. A dropdown opens. Click outside the dropdown. Dropdown closes.

The screenshot shows the Boliga website's search results page. The header includes the Boliga logo and navigation links: Find mægler, Køb skøde, Sælg din bolig, Lån til boligen, Byg hus, Køb tilstandsrapport, and Projektsalg. The search bar contains the text "Indtast område" and "Indtast flere postnumre". A dropdown menu is open, showing a red number "9" in a box. Below the search bar, there are two filters for "4550 Asnæs" and a button for "Udvidet søgning". The results section shows "2.210 resultater" for "4550 Asnæs, 4550 Asnæs" with a currency symbol "kr" and a button for "Alle boligtyper". The main heading is "Alle tidligere udbudte boliger til salg i 4550 Asnæs, 4550 Asnæs". Below this, there is a pagination control with a dropdown for "Liggetid", a "Tilbage" button, a page number "1" (highlighted), "2", "3", an ellipsis, "45", a "Næste" button, and a "Gem søgning" button.
